NEWS RELEASE

Boskalis involved in two marine salvage operations

Papendrecht, 18 February 2022

Boskalis has been called upon to provide emergency response assistance for two ships that are currently on fire. The first fire is on board of a car carrier near the Azores and a second vessel is a large ferry near the Greek island of Corfu.

A team of sixteen experts from subsidiary SMIT Salvage was mobilized yesterday and is present on the Azores where the large car carrier Felicity Ace is currently on fire. The ship was en route from Germany to the United States when the fire broke out. The entire crew has been safely evacuated and large equipment is enroute from Spain and the Netherlands to assist with the fire fighting.

To assist the Euroferry Olympia that caught fire in Greek waters near Corfu, a team of twelve experts is currently being mobilized and will depart as soon as possible to provide assistance with the fire fighting operation.

Royal Boskalis Westminster N.V. is a leading global services provider operating in the dredging, maritime infrastructure and maritime services sectors. The company provides creative and innovative all-round solutions to infrastructural challenges in the maritime, coastal and delta regions of the world. With core activities such as coastal defense, riverbank protection and land reclamation Boskalis is able to provide adaptive and mitigating solutions to combat the effects of climate change, such as extreme weather conditions and rising sea levels, as well as delivering solutions for the increasing need for space in coastal and delta regions across the world. The company facilitates the development of offshore energy infrastructure, including renewable wind energy. Boskalis is furthermore active in the construction and maintenance of ports, waterways, access channels and civil infrastructure, thus helping to facilitate trade flows and regional socio-economic development. In addition, Boskalis is a global marine salvage expert and has a number of strategic partnerships in harbor towage and terminal services (Keppel Smit Towage and Smit Lamnalco). With a versatile fleet of more than 650 vessels and floating equipment and 9,900 employees, including associates, Boskalis is creating new horizons around the world.
